Our Business History

Sherwin-Williams company

Perusahaan Sherwin-Williams

The Sherwin-Williams Company termasuk dalam American Fortune 500 Company yang bergerak dalam industri bahan bangunan umum. Perusahaan ini terutama bergerak dalam pembuatan, pendistribusian, dan penjualan cat, coatings, dan produk terkait kepada para profesional, industri, komersial, dan pelanggan ritel terutama di bagian Utara serta Selatan Amerika. Sebagian besar mengenali perusahaan ini melalui Sherwin-William Paints Line-nya.

Didirikan oleh Henry Sherwin dan Edward Williams di Cleveland, Ohio pada Tahun 1866, perusahaan ini beroperasi melalui empat segmen: Toko Cat (dikenal sebagai Sherwin-Williams Stores), Diversifikasi Merek, Automotive Finishes, dan Product Finishes.

Segmen Toko Cat, yang dikenal sebagai Sherwin-Williams Paints, adalah bagian pertama dari perusahaan yang didirikan pada Tahun 1866. Toko ini menjual dan memasarkan architectural paints & coatings, produk industri dan kelautan, produsen perlengkapan barang jadi dan barang sejenis dengan merek Sherwin-Williams. Pada tanggal 1 Januari 2011, segmen toko cat telah mengoperasikan 3.954 toko cat milik perorangan.

Segmen konsumen mengembangkan, memproduksi, dan mendistribusikan berbagai cat, coatings, dan produk terkait kepada pihak ketiga dan segmen toko cat. Sherwin-Williams merupakan perusahaan induk dari beberapa merek lain seperti Duron, M.A.B. Paints, Minwax, Krylon, Mautz Paint Co., Purdy, Bestt Liebco, Thompson's WaterSeal, H&C, Pratt & Lambert, Martin Senour, Dutch Boy, Easy Living, Weatherbeater, dan pada 28 Agustus 2007, Sherwin-Williams membeli perusahaan Columbia Paint & Coatings.

Pada Tahun 2007, perusahaan memperkenalkan untuk pertama kalinya "Idea Center" di Shaker Heights, Ohio, dalam upaya untuk memberikan pelanggan suasana toko cat yang konvensional melalui desain interiornya.

The Sherwin-Williams Company is an American Fortune 500 company in the general building materials industry. The company primarily engages in the manufacture, distribution, and sale of paints, coatings, and related products to professional, industrial, commercial, and retail customers primarily in North and South America. The company is mostly known through its Sherwin-Williams Paints Line.

Founded by Henry Sherwin and Edward Williams in Cleveland, Ohio in 1866, the company operates through four segments: Paint Stores (known as Sherwin-Williams Stores), Diversified Brands, Automotive Finishes, and Product Finishes.

The Paint Stores Segment, known as Sherwin-Williams Paints, was the first section of the company to be established, in 1866. These stores market and sell Sherwin-Williams branded architectural paints and coatings, industrial and marine products, and original equipment manufacturer product finishes and similar items. As of January 1, 2011 the Paint Stores segment operated 3,954 individual paint stores.

The Consumer segment develops, manufactures, and distributes various paints, coatings, and related products to third party customers and the Paint Stores segment. Sherwin-Williams is the parent company of other brands such as Duron, M.A.B. Paints, Minwax, Krylon, Mautz Paint Co., Purdy, Bestt Liebco, Thompson's WaterSeal, H&C, Pratt & Lambert, Martin Senour, Dutch Boy, Easy Living, Weatherbeater, and on August 28, 2007 Sherwin-Williams purchased Columbia Paint & Coatings.

In 2007, the company introduced its first "Idea Center" in Shaker Heights, Ohio, in an effort to provide customers with an interior design environment as contrasted with its conventional paint stores.

Dutch Boy License

Dutch Boy merupakan perusahaan manufaktur cat. Didirikan pada Tahun 1907 sebagai the National Lead Company, Dutch Boy saat ini merupakan anak perusahaan yang dimiliki dan dioperasikan oleh Divisi Diversifikasi Merek Sherwin-Williams Company. Bermarkas di Cleveland, Ohio.

Dutch Boy menawarkan cat dan produk cat untuk permukaan interior maupun eksterior, termasuk dinding, plafon, dan trim.

Pada Tahun 2007 ditandai 100 Tahun berbisnis sebagai penyedia cat.

Ikon The Dutch Boy awalnya diciptakan untuk melambangkan suatu metode unggulan untuk membuat produk cat, yang dikenal sebagai "Dutch Process". "Dutch Process" berasal dari dua ahli kimia di Belanda pada abad ke-16 yang menetapkan standar kualitas dan keindahan cat selama berabad-abad ke depan. Warisan ini terus hidup dengan Dutch Boy Paint.

Dutch Boy is a paint manufacturing company. Founded in 1907 as the National Lead Company, Dutch Boy is currently a subsidiary of, and is owned and operated by, the Diversified Brands Division of the Sherwin-Williams Company. It is headquartered in Cleveland, Ohio.

Dutch Boy offers paints and paint products for both interior and exterior surfaces, including walls, ceilings, and trim.

In 2007 marked 100 years of business as a paint provider.

The Dutch Boy icon was originally created to symbolize a superior method for creating paint products, known as the "Dutch Process". The "Dutch Process" originated with two chemists in 16th century Holland and set the standard of paint quality and beauty for centuries to come. The legacy lives on with Dutch Boy Paint.

Perusahaan cat Dutch Boy di Amerika telah menunjuk PT. San Central Indah (SCI Paint) sebagai pemegang lisensi resmi untuk memproduksi dan memasarkan produk cat Kem-Tone di Indonesia.
